# PUPIL PREMIUM GRANT EXPENDITURE 2012-13

Total number of pupils and Pupil Premium Gra	nt (PPG)received
Total numbers of pupils on roll	535
Total number of pupils eligible for PPG	199
Amount of PPG per pupil	£600
Total amount of PPG received	£119, 400.00

## SCHOOL CONTEXT 2012-13:

**FSM pupils school percentage:** Park Hill : 31% (5<sup>th</sup> quintile) - national FSM 19% **School Deprivation:** Park Hill : 0.41 (5<sup>th</sup> quintile) - national 0.23% **Fixed term exclusion for FSM pupils:** None

Attendance of FSM pupils for the year, excluding reception 95.15% Attendance of non-FSM pupils for the year, excluding reception 96% Attendance of FSM pupils for the year, including reception 94.44% Attendance of non-FSM pupils for the year, including reception 95.63% <u>Aims of PPG Expenditure</u>

At Park Hill a majority of the children either have school meals, have had free school meals, have free school meals intermittently due to parental short-term employment or live in very low income families. Our deprivation indicator is 0.41, which is in the top 20% quartile and double national. Therefore our philosophy is to target all children with social barriers to learning. PPG spending is used in a number of ways across the school to close the attainment gap and ensure that FSM pupils achieve the very best outcomes that they possibly can when they leave Park Hill Primary School. The school provides the opportunities for FSM pupils to make good progress by supporting the teaching and learning to improve the provision for FSM pupils including appropriate training to ensure that the curriculum is relevant to meet the needs of the pupils.

The PPG will enable the school to continue to use a range of staff that have a commitment to reducing the barriers to learning by working in small groups or on a one to one basis linked to FSM pupil's individual learning targets. A high priority is given to teaching the teaching and learning of Basic Skills in order to ensure good progress and attainment for FSM pupils.
